### ➤ SECURITY SERVICES

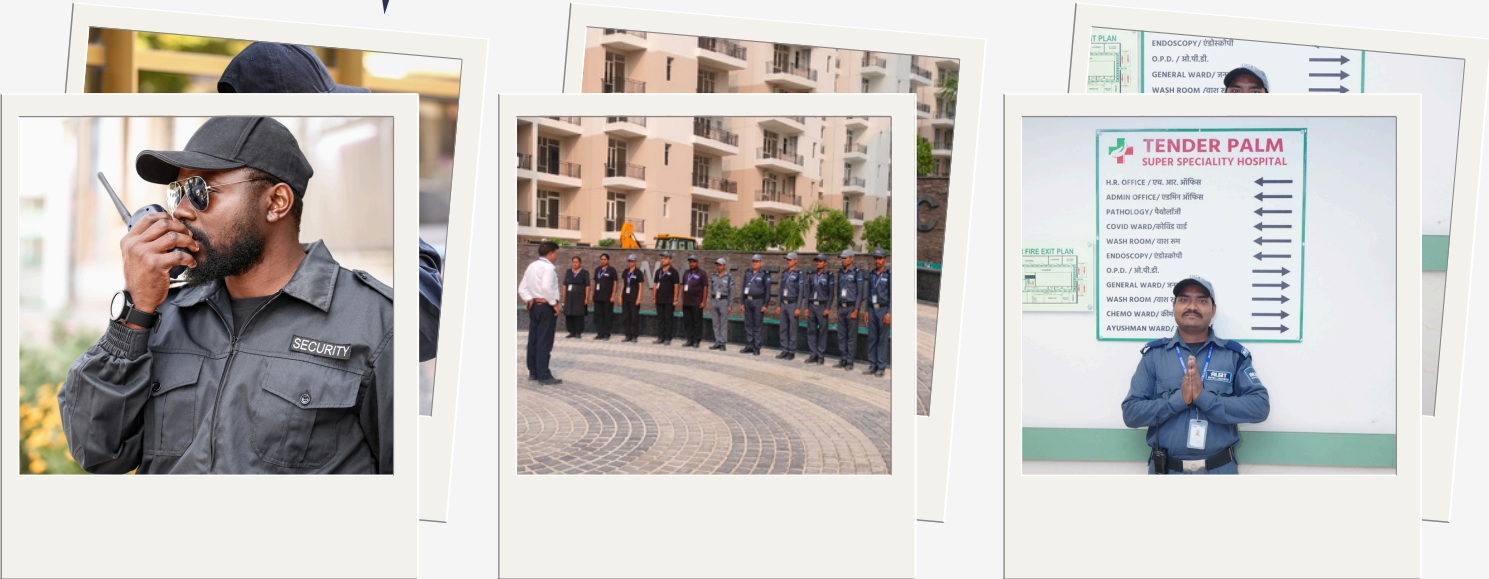

Our team of highly trained professionals ensures the safety and security of your premises, assets, and personnel with cutting-edge technology and proactive strategies.

### ➤ MANPOWER SOLUTIONS

We provide skilled and reliable manpower solutions to meet the staffing needs of various industries, delivering top-notch talent for both short-term and long-term assignments.

### ➤ FACILITY MANAGEMENT

From maintenance and cleaning to operational support and logistics, our facility management services are designed to optimize your workspace for maximum efficiency and productivity.

# OUR VISION

At Alert Intelligence, our vision is to be the leading provider of integrated security, manpower, and facility management solutions, setting the standard for excellence and innovation in our industry. We aspire to:

## LEADERSHIP

To be recognized as the preferred partner for security, manpower, and facility management services, trusted by clients for our expertise, reliability, and professionalism.

## INNOVATION

To continuously innovate and adapt to emerging technologies and industry trends, ensuring that we stay ahead of the curve and provide cutting-edge solutions to our clients.

## IMPACT

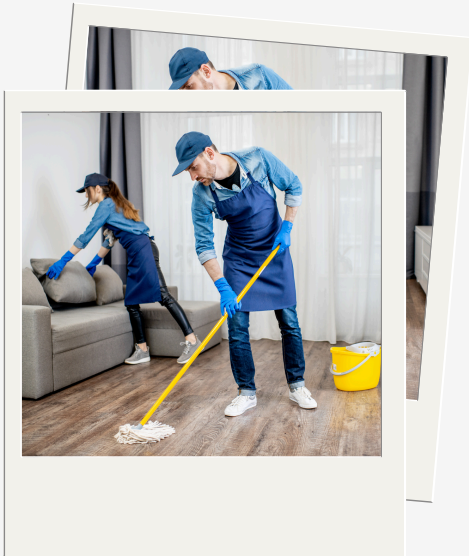

To make a positive impact on the safety, security, and well-being of our clients, employees, and communities, contributing to a safer and more secure world.

## GROWTH

To expand our reach and capabilities, both geographically and in terms of service offerings, while maintaining a focus on quality, integrity, and customer satisfaction.

## PARTNERSHIPS

To build strong and enduring partnerships with clients, suppliers, and stakeholders, based on mutual trust, respect, and collaboration.

## OUR MISSION

At Alert Intelligence, our mission is to ensure the safety, security, and success of our clients by providing comprehensive and innovative security, manpower, and facility management solutions. We are committed to:

### EXCELLENCE

Striving for excellence in everything we do, from the quality of our services to the professionalism of our team.

### INNOVATION

Embracing technology and innovation to stay ahead of evolving security challenges and deliver cutting-edge solutions.

### INTEGRITY

Upholding the highest standards of integrity, honesty, and ethical conduct in all our interactions with clients, employees, and partners.

### CUSTOMER SATISFACTION

Putting our clients' needs first and exceeding their expectations through personalized service, proactive communication, and continuous improvement.

### COMMUNITY IMPACT

Contributing to the safety and well-being of the communities we serve through social responsibility initiatives and partnerships.

## TRAINING INSTITUTE (AISTI)

The primary focus of our training institute is the personnel's overall skill development, training them as per the work environment in today's industries and equipping them with the latest knowledge of using electronic devices and gadgets. We also train them to report to their respective senior authorities and handle contingent situations with ease via detailed curriculum and solving real time case studies.

Each day, the performances of trainees are enhanced as we provide the best environment in our curriculum activities and they are trained by the best industry experienced experts.

Methodology training (lectures via PPT, demonstrations, case studies, outdoor training) and on-site training programmes are conducted on a regular basis. Not only this, but workshops on security awareness for company executives are also included in the training programme.

## OUR TRAINING PROGRAMS

As per PSARA, following are the training programmes that we conduct:

- Security Guard (Civilian)
  - Security Supervisor (Civilian)
  - Security Guard (Ex-service man)
  - Security Supervisor (Ex-service man)
  - Assistant Security Officer (open for supervisors)
  - Security Service Audit
  - Basic Weapon Training
  - Basic course in Security, Fire Safety and Disaster Management
  - Basic Training Programmes for Housekeeping and Facility Training English Language lessons (Basics and Know-how)
  - Automation Training Programmes for System Operators
  - Office Executives Training Programmes on Facility Management
  - Interview Preparation for written examinations for Security and other Manpower
